MEMORANDUM FOR: Chief, Policy and Plans Group
FROM:
Deputy Director of Security, PTAS
SUBJECT: Proposed Executive Orders

STAT

Per your request, PTAS directorate managers have reviewed the Subject. We have no comments to make except suggest different wording in the new executive order draft, page three, section five, which identifies CIA outright as a practitioner in the business of background investigations. I am sure you will research this item, however, as it may be a requirement to so identify CIA, as if eliminated under the present wording, this agency might have no charter to conduct background investigations.
